Planning and preparing for college

The entire **College Board website** is [available in Spanish](#). This is a great resource for planning for college, choosing a school, getting into college and paying for college.

A few specific resources to note within the College Board website:

[College Planning Calendar for High School Students](#)

[College Search Tool](#)

[Preparing for the SAT](#)

KnowHow2Go Michigan Campaign Resources are [available in Spanish](#), too.

Paying for College

The Office of Federal Student Aid runs several user-friendly websites that are available in Spanish to help students understand the **FAFSA**.

[Official Federal Student Aid website](#)

[FAFSA in Spanish](#)

[FAFSA Help - Documents in Spanish and English](#)

There are many **scholarship searches** for Latino/Latina youth:

[Hispanic Scholarship Fund](#)

[Where to Find Money for Latino Students](#)

[Latino College Dollars](#)

Mapping Your Future is a college access website focused on money management.
