## SAT Test Prep Resources

### Khan Academy

[Khan Academy](#) offers four official practice exams. Completing any one of these will provide students with personalized practice recommendations for the skills they need to build to improve their scores.

### The College Board

[The College Board](#) provides a number of helpful resources including free practice tests and modules, and a test day checklist. The College Board and Khan Academy are close partners.

### SAT Fee Waivers

Many students qualify for SAT fee waivers, which cover the cost of up to two SATs and four college application fees! To find out if you're eligible, [click here](#). Then, ask your school counselor to help you apply.

### Michigan eLibrary College Preparation Center

The Michigan eLibrary has a [College Preparation Center](#) on their website with an entire section dedicated to the SAT. This include a video tutorials with tips about the test as a whole, and more specific tutorials focused on particular sections of the test, including the essay portion.
